

NECAS has received a 2009 Dubuque Racing Association grant to purchase an ATV. The ATV will be used by NECAS to develop a hands on ATV safety program for Farmers, Ranchers and Agribusiness users. The ATV was delivered to NECAS on July 9th

The DRA has a history of giving, awarding over \$30 million to charitable organizations, like the National Education Center for Agricultural Safety. Since 1996, NECAS has received nearly \$80,000 to fund safety-training programs, create marketing materials, and purchase valuable rescue tools and other safety equipment. The Dubuque Racing Association is proud to support NECAS in their effort to make the community a better and safe place to live, work and play.
